SIGHTS of Branson

Enjoy the Sights of Branson with Special Journeys!

We'll start our trip off with a visit to the **Titanic Museum**, a replica of the original passenger line which sank in the North Atlantic Ocean in April of 1912. This unique attraction will give us a chance to experience what it was like to walk the hallways, parlors, cabins and the **Grand Staircase** prior to that fateful day. We'll even have the chance to touch a real iceberg! Another stop on our tour will be **The World's Largest Toy Museum Complex** with over 1 million toys. We will have a lot of fun reliving our childhoods as we take a step back in time. Some of the collections include **Barbie, classic cars, Popeye, Disney and Trains.**

No visit to Branson would be complete without a show. We will visit the **Sight and Sound Theater** to see **Queen Esther**. Esther follows the biblical story of a young woman's ordinary life that was forever changed when she was taken through the palace doors and entered a new world of royalty and risk. **Sight and Sound Theater** is known for its riveting productions where the bible comes to life through magnificent sets, special effects and live animals including an elephant!

Finally, we will visit **Beyond the Lens** which offers over 150 interactive exhibits. Sit in the oval office, fend off **Big Foot**, race **King Kong**, play with dinosaurs, explore outer space. These are just a few of things we will get to explore. The highlight of our visit will be **Fly Ride**, a fully immersive experience which will take us soaring over mountain tops, skimming over lakes and soaring above America's most awe-inspiring landmarks all while never leaving the theater. Your Branson trip will have plenty of time for shopping and also include delicious down-home cooking in some of Branson's most famous restaurants!

Travelers will depart/return at a convenient meeting spot in Austin, Temple, Waco and Lewisville, Texas.
